Incase you haven't noticed,
these shots are not new.
Rachael was between 18 and
23 when thses were taken so
I'm guessing they are may-
be 30 something years old. I
think the hair styles are the
give away. None the less they
are equally as beautifuls a
shot as you would see today.

Saltwater Eco Tours recently hosted an exceptional photo-shoot collaboration on their historic 114-year-old, 58ft sailing vessel. This unique event combined the timeless beauty of a vintage sailboat with the artistry of modern photography. Operating on the peaceful waterways in Mooloolaba, Gubbi Gubbi/Kabi Kabi Country, the company is the first of its kind, combining culture, maritime history, native foods and unforgettable live music experiences.
